Design

UI/UX Design, Figma, Wireframing, Prototyping

Software

Microsoft Office Suite (Excel, Word, PowerPoint)

Tools

Figma (UI Design),

Visual Studio (Full Stack Web development)

CERTIFICATIONS

Intro to MERN Stack
Full Stack Development 101
UI&UX Design

LANGUAGES

Tamil (Native)
English (Proficient)

EXTRA-CURRICULAR

Tutoring & mentoring juniors
Visual art
Rotaract Club Director

PERSONAL DETAILS

DOB: 28 Nov 2005

Gender: Female

Address: 2/165 Vedanthangal Nagar,
Arasankalani, Sithalapakkam, Chennai –
600130

EDUCATION

B.Tech – Information Technology

Agni College of Technology, Chennai

2023 – Present (Final Year) | **CGPA: 8.45**

Higher Secondary – 12th

Zigma Matriculation Higher Secondary School

2022 | **Percentage: 64.3%**

Secondary – 10th

Zigma Matriculation Higher Secondary School

2020 | **Result: All Pass**

PROJECTS

College Voting System – Face Recognition

Designed and implemented a secure college voting application that uses facial recognition to authenticate voters, eliminating proxy voting. Built a web-based interface integrated with a Python/OpenCV recognition engine.

Tech Stack: [OpenCV] [Face Recognition] [Web Interface]

VR in Healthcare

Developed an interactive virtual-reality prototype for patient rehabilitation and medical-staff training. Researched VR integration with healthcare workflows and presented findings with a working demo.

Tech Stack: [VR Technology] [Healthcare UX] [Prototyping]

Agro AI – Smart Plant Health Assistant

(Mini Project)

Built an AI-powered agricultural assistant that enables farmers to scan plant leaves for instant health diagnosis. The system detects diseases from images, recommends appropriate medicines and treatments, and features an integrated chatbot for real-time crop care guidance.

Key Features: Plant Scanning | Disease Detection | Medicine Recommendation | AI Chatbot

CAREER OBJECTIVE

To secure a challenging Full Stack Developer role where I can leverage my academic background in Information Technology, hands-on project experience, and passion for problem-solving to contribute meaningfully to development and business goals. I am committed to continuous learning and delivering high-quality, maintainable code.

DECLARATION

I hereby declare that all the information provided above is true and accurate to the best of my knowledge and belief.
